

# Proposition 1B: Goods Movement Emission Reduction Program

## Hints & Tips:

### Prepare for the Upcoming Competitive Goods Movement Program Solicitation (March/April 2011)

**Clear Outstanding Vehicle or Fleet ARB Violations**

**Gather DMV Registration History (2 Years)**

**Gather and Organize Mileage Documentation (2 Years)**

- Service receipts with odometer readings
- Tax forms and/or fuel receipts

**Determine Gross Vehicle Weight Rating (GVWR)**

- Class 8 defined as greater than 33,000 GVWR
- Class 7 defined as 26,001 – 33,000 GVWR
- Typically found on door tag

**Research Engine Emission Levels and New Truck Options**

- Class 8 must be replaced with a Class 8
- Class 7 must be replaced with a Class 7
- Check with dealers or ARB website for list of qualifying engines  
(<http://www.arb.ca.gov/gmbond>)

**Maintain Current Registration**

**Maintain Truck in Legal Operating Condition**

**Contact Local Agency with any Questions:**

***Bay Area Air Quality Management District***

***Website: [www.baaqmd.gov/goods](http://www.baaqmd.gov/goods)***

***Phone: (415) 749-4994 (option 1)***
