

# Goods Movement Emission Reduction Program Non-Port Truck Replacement Application

## Introduction

The Bay Area Air Quality Management District (“District”) is accepting applications for the Goods Movement Emission Reduction Program (the “Goods Movement Program”). The purpose of this program is to provide funding to replace, repower and retrofit heavy-duty diesel vehicles with lower-polluting engines and retrofit control devices that are operating in the State’s trade corridors. This application is for non-port truck replacement projects only.

## What You Need To Do

If you would like to be considered for participation in this program, please fill out the application and mail two copies of the application form along with two copies of the required attachments by **August 15, 2008**, to:

**Bay Area Air Quality Management District**  
**Attn: Joseph Steinberger**  
**939 Ellis St.**  
**San Francisco, CA 94109**

The submittal of this information does not guarantee approval for funding, but will be used to determine the potential emission reductions and District funding contribution associated with the proposed project. Any equipment purchased prior to the execution of an official grant agreement will not be eligible for funding. If you have any questions regarding this program or the application process, please contact Joseph Steinberger by phone at (415) 749-5018 or by e-mail at: [jsteinberger@baaqmd.gov](mailto:jsteinberger@baaqmd.gov).
